GENERAL BEHAVIOR TOPICS

Aggression – diagnosing and treating
 Aggression – introduction to aggressive behavior
 Behavior – causes and diagnosis of problems
 Behavior management products
 Behavior modification, desensitization, counter-conditioning, differential reinforcement and flooding
 Behavior problems of older pets
 Behavior resources
 Behavioral drug therapy with consent form
 Children and pets
 Compulsive, stereotypic and displacement disorders
 Rewards – learning and reinforcement
 Selecting a pet - guidelines

CANINE BEHAVIOR TOPICS

Aggression – social aggression to unfamiliar dogs
 Aggression toward family members
 Barking
 Biting – puppies
 Canine aggression – diagnosing and treating
 Canine aggression – sibling rivalry
 Canine punishment
 Controlling pulling, lunging, chasing and jumping up
 Controlling stealing and teaching the give command
 Coprophagia
 Destructiveness – chewing
 Destructiveness – digging
 Excitable and disobedient dogs
 Fears and phobias – animals and people
 Fears and phobias – noises and places
 Firework and thunderstorm phobias – emergency guidelines
 House safety and crate training
 House soiling
 Muzzle training your dog
 Neutering dogs
 Play and exercise in dogs
 Puppy – getting started and house training guide
 Puppy training – basics
 Puppy training – come, wait and follow
 Puppy training – sit, down, stand and stay
 Puppy training – taking charge
 Selecting and socializing your new puppy
 Separation anxiety
 The use of management devices in dog training
 Treatment of firework and thunderstorm fears and phobias

FELINE BEHAVIOR TOPICS

Aggression – territorial
 Controlling undesirable behavior in cats
 Destructive chewing and sucking
 Excessive nocturnal activity in cats
 Fear in cats
 Feline social behavior and selection of a new kitten
 Feline travel related problems
 House training – using the litter box
 House-soiling in cats
 Introducing a kitten to a new home
 Keeping an indoor cat happy
 Marking behaviors in cats
 Moving with your cat
 Neutering cats
 Play aggression in cats
 Play and investigative behaviors
 Redirected aggression
 Scratching and declawing
 Vocalization – excessive

CANINE INDEX

Addison's disease, hypoadrenocorticism
 Administering drugs by injection
 Allergy, food, FAD
 Allergy, inhalant, atopy
 Allergy
 Anal sac disease, anal sacculitis
 Anemia

Anthrax
 Applying ointments, creams and lotions
 Arthritis
 Bladder stones
 Blastomycosis
 Boarding your dog
 Bone diseases of growing dogs
 Booster vaccines-are they necessary
 Breeding1-Why do I want to breed
 Breeding2-Estrus and mating
 Breeding3-Pregnancy
 Breeding4-Whelping or birth
 Breeding5-Problems at birth
 Breeding6-Rearing puppies and care of mother
 Breeding7-Growing puppy, lactation and weaning
 Breeding8-Finding homes for puppies and vaccinations
 Cataracts
 Cervical stenosis, wobblers syndrome, cervical instability
 Cesarean section post op instructions
 Coccidiosis
 Corneal ulcers
 Coronavirus disease
 Cruciate ligament rupture
 Cushings disease, hyperadrenocorticism
 Cystitis
 Degenerative disc disease
 Degenerative joint disease
 Demodectic mange
 Dentistry
 Diabetes insipidus
 Diabetes mellitus
 Diarrhea, questionnaire
 Distemper
 Ear drop administration-dog
 Ear infections-Otitis externa
 Ehrlichiosis
 Electrocardiogram
 Elizabethan collars
 Emergencies
 Endoscopy-gastrointestinal
 Esophagostomy tube feeding
 Exocrine pancreatic insufficiency
 Eye drop administration-dog
 Eye ointment administration-dog
 First aid
 Flea allergy dermatitis, FAD
 Flea control
 Gastroenteritis-Hemorrhagic
 Gastrostomy tube feeding
 Giardia
 Glaucoma
 Grief management in children
 Heart1-Dilated cardiomyopathy
 Heart2-Heart failure
 Heart3-Congestive heart failure
 Heartworm disease
 Hematoma of the ear
 Hepatitis-adenovirus infection
 Hip dysplasia
 Hookworm infection
 Horners syndrome
 Hot spots
 Hypothyroidism
 Icterus
 Inflammatory bowel disease
 Internal parasites
 Introducing an infant to dog
 Itching and scratching, pruritus
 Kennel cough, tracheobronchitis
 Kidney failure-chronic
 Lameness
 Lens luxation
 Leptospirosis
 Lick granuloma
 Liquid medication administration-dog
 Lumbrosacral syndrome-Cauda equina
 Luxating patella
 Lyme disease
 Malabsorption & bacterial overgrowth
 Mange-sarcoptic
 Mitral valve disease & heart failure
 Necrosis of the femoral head
 Neutering
 Obesity
 Orchiectomy
 Pancreatitis
 Parvovirus
 Pill administration-dog
 Prostatic disease
 Puppies-orphaned
 Puppies-raising

Puppies-recommendations for new owners
 Pyometra
 Rabies-recommendations for senior dogs
 Ringworm
 Roundworm infection
 Seizures
 Skin fold pyoderma
 Spaying your dog
 Staphylococcal dermatitis & hypersensitivity
 Stroke
 Subcutaneous fluid administration
 Surgical discharge instructions
 Tapeworms
 Tartar prevention
 Thrombocytopenia
 Tonsillitis
 Tracheal collapse, collapsed trachea
 Travel-airplane
 Travel-car
 Ultrasound
 Uvetitis
 Vaccination failures
 Vaccines
 Vomiting
 vonWillebrand's disease
 Whipworms

FELINE INDEX

Airline travel with your cat
 Allergy, inhalant, contact, food, flea
 Anal sac disease
 Anemia
 Anthrax
 Asthma, bronchitis, obstructive, allergic lung disease
 Bladder stones or uroliths
 Breeding and queening cats
 Buspirone in cats, Buspar
 Cardiomyopathy, heart disease
 Caring for the senior cat
 Cat scratch disease
 Cesarean section post operative instructions
 Chlamydia, chlamydia
 Chronic nasal discharge or chronic upper respiratory tract disease
 Chronic renal failure, kidney failure
 Chylothorax
 Coccidiosis
 Conjunctivitis
 Constipation in cats
 Corneal ulcers
 Coughing
 Cruciate ligament rupture
 Cystitis and lower urinary tract disease
 Dental disease
 Diabetes mellitus
 Diarrhea case history checklist
 Diarrhea
 Ear infections
 Ear mites-otodectes
 Emergencies and first aid
 Esophagostomy tube feeding
 Fatty liver syndrome
 Feline immunodeficiency virus infection, FIV
 Feline infectious anemia or hemobartonellosis
 Feline infectious peritonitis - FIP
 Feline infectious peritonitis, FIP, Interpretation of a positive laboratory test for virus antibody in a healthy cat
 Feline leukemia virus disease complex
 Feline leukemia virus vaccination
 Fight wound infections
 Flea allergy
 Flea control
 Gastrointestinal endoscopy
 Gastrostomy tube feeding
 Giardia
 Heartworm
 Hematoma
 Hookworm infection, internal parasites, parasite
 Hypertension, high blood pressure
 Hyperthyroidism
 Hypokalemia, low potassium
 Icterus, yellow jaundice
 Inappropriate elimination disorders
 Inflammatory bowel disease, IBD
 Kittens - recommendations for new owners

Managing the sick cat
 Megacolon
 Moving to a new home
 Neutering
 Obesity
 Open wound care
 Pancreatitis
 Panleukopenia, distemper
 Post operative instructions, surgery
 Post-vaccination sarcoma
 Poxvirus
 Pregnancy and parturition
 Pyometra, infection of the uterus
 Pyothorax
 Rabies in cats
 Raising kittens
 Ringworm, dermatophytosis, fungal infection
 Roundworm infection, intestinal parasite, parasites
 Seizures and epilepsy
 Subcutaneous fluid administration
 Tapeworm infection, intestinal parasites, parasite
 Thrombocytopenia, decreased platelet count
 Toxic hazards
 Toxoplasmosis
 Ultrasound examination
 Understanding grief in children
 Vaccination failures
 Vaccinations in cats
 Vomiting

EXOTICS INDEX

Chinchillas-diseases
 Chinchillas-feeding
 Chinchillas-housing
 Chinchillas-owning
 Chinchillas-problems
 Ferrets-diseases
 Ferrets-feeding
 Ferrets-gastrointestinal disease
 Ferrets-hormonal disease
 Ferrets-housing
 Ferrets-owning
 Ferrets-problems
 Ferrets-reproductive disease
 Ferrets-respiratory disease
 Ferrets-skin disease
 Ferrets-tumors
 Guinea pigs-feeding
 Guinea pigs-owning
 Hedgehogs-diseases
 Hedgehogs-feeding
 Hedgehogs-housing
 Hedgehogs-owning
 Hedgehogs-problems
 Iguanas-diseases
 Iguanas-feeding
 Iguanas-housing
 Iguanas-owning
 Iguanas-problems
 Rabbits-fly strike
 Rabbits-infectious diseases
 Rabbits-dental disease
 Rabbits-diseases
 Rabbits-feeding
 Rabbits-housing
 Rabbits-owning
 Rabbits-problems
 Reptiles-choosing
 Rodents-diseases
 Rodents-feeding
 Rodents-housing
 Rodents-owning
 Rodents-problems
 Snakes-cobubrid
 Snakes-constrictor
 Snakes-diseases
 Snakes-feeding
 Snakes-housing
 Snakes-owning
 Snakes-problems
 Turtles-diseases
 Turtles-feeding
 Turtles-housing
 Turtles-owning
 Turtles-problems

PET BIRDS INDEX

Abnormal droppings
 African grey parrot-feeding
 African grey parrot
 Amazon parrot-feeding

Index of Integrated Lifelearn Client Education Articles

PET BIRDS INDEX (CONT.)

Amazon parrot
 Anorexia and lethargy
 Bathing
 Beak and nail care
 Biting and screaming
 Budgie-feeding
 Budgie
 Cage hygiene
 Canary
 Canary-feeding
 Chlamydia
 Chronic egg laying
 Cockatiel-feeding
 Cockatiel
 Cockatoo-feeding
 Cockatoo
 Common conditions of birds
 Conure-feeding
 Conure
 Crop infections
 Egg binding
 Feather problems
 Finch
 Finch-feeding
 Hand-feeding baby birds
 Household dangers
 Housing large birds
 Housing small birds
 Introducing new birds
 Knemidokoptic mange
 Leg bands and identification
 Lorries and lorikeets-feeding
 Lorries and lorikeets
 Lovebird-feeding
 Lovebird
 Macaw-feeding
 Macaw
 Mynah birds
 Mynah birds-feeding
 Nursing a sick bird
 Obesity
 Pacheco's virus infection
 Papillomatosis
 Parasites
 Pigeons and doves
 Pigeons and doves-feeding
 Polyoma virus infection
 Pox virus infection
 Proventricular dilatation syndrome
 Psittacine beak and feather disease
 Recognizing a sick bird
 Respiratory disease
 Routine veterinary exam
 Taming, training and talking
 Tests for sick birds
 Toucans and Toucanettes
 Toucans and toucanettes-feeding
 Toxic plants
 Transporting your bird
 Tumors
 Wild baby birds
 Wing clipping

PHARMACY INDEX

Acetpromazine
 Acetazolamide
 Acetaminophen
 Allopurinol
 Aminocaproic acid
 Aminophylline-theophylline
 Amitriptyline
 Amlodipine besylate
 Ammonium chloride
 Amoxicillin
 Amoxicillin-Clavulanic acid
 Ampicillin
 Antacids-oral
 Aspirin
 Atenolol
 Azathioprine
 Benazepril hydrochloride
 Bethanechol chloride
 Bismuth compounds
 Buspirone
 Captopril
 Carprofen
 Cephalosporins
 Chlorothiazide-hydrochlorothiazide
 Chlorpheniramine maleate
 Cimidine
 Ciprofloxacin-enrofloxacin
 Cisapride
 Clindamycin
 Clomipramine

Clorazepate
 Cloxacillin
 Codeine
 Colchicine
 Cyclophosphamide
 Cyclosporin
 Cyproheptadine
 Dexamethasone
 Dextromethorphan
 Diazepam
 Diethylcarbazine citrate
 Diethylstilbestrol
 Digoxin
 Diltiazem HCl
 Dimenhydrinate
 Diphenhydramine
 Doxycycline
 Enalapril
 Ephedrine
 Famotidine
 Fenbendazole
 Fipronil
 Fludrocortisone acetate
 Flunixin meglumine
 Furosemide
 Glipizide
 Griseofulvin
 Hydraltazine
 Hydroxyzine
 Imidacloprid
 Imipramine
 Insulin
 Itraconazole
 Ivermectin
 Kaolin-pectin
 Ketoconazole
 Ketoprofen
 L-Carnitine
 Lactulose
 Levothyroxine
 Lincomycin
 Loperamide
 Lufenuron
 Marbofloxacin
 Medroxy-progesterone acetate
 Megestrol acetate
 Meloxicam
 Methimazole
 Metoclopramide
 Metronidazole
 Milbemycin oxime
 Misoprostol
 Mitotane
 Naproxen
 Nitenpyram
 Nystatin
 Omeprazole
 Orifloxacin
 Oxazepam
 Penicillins general
 Phenobarbital
 Phenoxybenzamine
 Phenylbutazone
 Phenylpropranolamine
 Phytionadione(vitamin k1)
 Piroxicam
 Potassium bromide
 Potassium chloride
 Praziquantel
 Prednisolone
 Procainamide
 Propranolol
 Pyrantel pamoate
 Selamectin
 Selegiline
 Sulfamethoxazole-trimethoprim
 Sulfasalazine
 Surcalfate
 Tetracycline
 Triamcinolone acetonide
 Tylosin

ONCOLOGY INDEX

Adipose Tumors
 Adrenal Cortex Tumors
 Adrenal Medulla Tumors
 Anal Sac Gland Tumors
 Basal Cell Tumors
 Benign Mammary Tumors in Dogs
 Bone and Joint Tumors in Cats
 Bone and Joint Tumors in Dogs
 Bone Marrow Tumors
 Calcinosis Circumscripta and Cutis
 Cancer Treatment
 Connective Tissue Tumors

Cutaneous Histiocytoma
 Cysts
 Cytology, Histopathology, Biopsies
 Digestive Tract Muscle Tumors
 Ear Tumors
 Eyelid, Conjunctival and Peri-ocular Tumors
 Fibrosarcoma and Feline Sarcoïd
 Hair Follicle Tumors
 Hemartomas and Benign Fibrous Tumors
 Hepatoid Gland Tumors
 Intestinal Tumors: Epithelial
 Liver Tumors: Epithelial
 Liver Tumors: Metastatic and Miscellaneous
 Lung Tumors
 Lymphatic Tumors
 Lymphoid Tumors
 Malignant Mammary Tumors in Dogs
 Mammary Tumors in Cats
 Mast Cell Tumors in Cats
 Mast Cell Tumors in Dogs
 Mast Cell Tumors: Visceral
 Melanocytic Tumors
 Melanoma in Cats
 Melanoma in Dogs
 Nasal Tumors
 Neuroendocrine Tumors: Carcinoids
 Neuroendocrine Tumors: Chemodectomas
 Oral Tumors: Epulis Basal Cell Carcinoma
 Oral Tumors: Fibrosarcoma
 Oral Tumors: Melanoma
 Oral Tumors: Papillomas and Sarcoïds
 Oral Tumors: Squamous Cell Carcinoma
 Ovarian Tumors
 Pancreatic Tumors
 Panniculitis
 Papillomas
 Parathyroid Tumors
 Pituitary Tumors
 Plasmacytic Tumors
 Prostate Tumors
 Reactive Histiocytosis
 Salivary Tumors
 Sebaceous Gland Tumors
 Skin Lymphoid Tumors
 Spindle Cell Tumors
 Splenic Tumors
 Squamous Cell Carcinoma in Cats
 Squamous Cell Carcinoma in Dogs
 Squamous Cell Carcinoma Multicentric
 Stomach Tumors: Epithelial
 Sweat Gland Tumors
 Testicular Tumors
 Thyroid Tumors
 Transmissible Venereal Tumors
 Tumors of the Internal Eye Structures
 Urinary Tract Tumors
 Uterine Vaginal Tumors
 Vascular Tumors of Viscera
 Vascular Tumors
 What is Cancer

EQUINE INDEX

Arthritis
 Behavioural problems
 Bruised sole
 Canker
 Caring for the older horse & pony
 Choke
 Chronic obstructive pulmonary disease
 (copd)
 Colic
 Contracted tendons
 Corns
 Equine herpesvirus infections (ehv-1, ehv-2, ehv-3, ehv-4)
 Equine viral arteritis (eva)
 Eye emergencies
 Failure of passive transfer
 Farriery
 First aid for wounds
 Foaling
 Heart murmurs
 Hoof wall cracks
 Keratoma
 Laminitis
 Management measures to help control disease
 Nail 'bind' and nail 'prick'
 Navicular syndrome

Newborn foal
 Osteochondritis dissecans (ocd)
 Puncture wounds of the foot
 Pus in the foot ('gravel')
 Quittor
 Ragwort poisoning
 Rain scald
 Ringworm
 Seedy toe
 Setfast
 Sheath washing
 Sidebones
 Spavin
 Suspensory damage
 Strangles
 Sweet itch
 Teeth
 Tendon injuries
 Thrush
 Vaccination
 Whistling & roaring
 Worming

DIAGNOSTIC TESTS INDEX

Antibody Titres
 Bile Acid
 Bone Marrow Collection & Exam
 Buffy Coat Examination
 Cerebrospinal Fluid Collection & Testing
 Coagulation Test
 Complete Blood Count
 Confirming Ethylene Glycol Poisoning
 Direct Coomb's Test
 Cytology FNA
 Cytology General
 Dexamethasone Suppression Tests
 DNA Testing
 Early Renal Disease Testing in Cats
 Early Renal Disease Testing in Dogs
 Electrolytes
 Endogenous ACTH
 Fecal Baermann
 Fecal Floatation
 Fecal Occult Blood
 Hypercalcemia
 Hypocalcemia
 Monitoring Epileptic Patients
 Pet Preparation
 Pregnancy Testing in the Dog
 Preparation for Surgery
 Protein Creatinine
 Protein in Urine
 Serum Biochemistry
 Serum Iron Testing
 Serum Protein Electrophoresis
 Testing and Monitoring Canine Diabetes
 Testing and Monitoring Feline Diabetes
 Testing for Addison's Disease
 Testing for Cushing's Disease
 Testing for Feline Virus
 Testing for Increased Thirst & Urination
 Testing for Kidney Disease
 Testing for Liver Disease
 Testing for Pancreatic Disease
 Testing for Ab Enlargement
 Testing for Decreased Appetite
 Testing for Increased Appetite
 Testing for Jaundice
 Testing for Lameness
 Testing for Seizures
 Testing for Significant Weight Loss
 Testing for Signs of Pallor
 Testing for Weakness
 Testing for Patients who are Sneezing
 Testing for Patients who Urinate Inappropriately
 Testing for Patients who are Vomiting
 Testing for Patients who have Diarrhea
 Testing for Patients with a Cough
 Testing for Patients with Fever of Unknown Origin
 Testing for Patients with Signs of Bleeding
 Thyroid Hormone Testing in Cats
 Thyroid Hormone Testing in Dogs
 Trypsin-Like Immunoreactivity
 Urinalysis
 Urine Cortisol
 von Willebrand's Disease Testing
 Wellness Testing for Geriatric Cats
 Wellness Testing for Cats
 Wellness Testing for Geriatric Dogs
 Wellness Testing for Dog
